[XRUSH] RESPONSE: The claim amendment dated 10/15/04 is the
most recent version of the claims. The claims dated 11/1/04 are a
copy of the original claims, which were cancelled by preliminary
amendment. I sent an e-mail to Scanning Customer Support

The claim amendment dated 10/15/04 should be the most recent version of the claims; however, a copy of the original claims was rescanned and dated 11/1/04. Can this copy of the original claims dated 11/1/04 be deleted or redated to reflect that the amendment dated 10/15/04 is the most recent version of the claims?

Thank you,
